

CARPENTER MARTY transportation

Civil engineering internship/co-op

Carpenter Marty Transportation's Cincinnati office location is seeking a summer intern/co-op. Develop your skills, advance your career, and grow with our firm.

Who We Are:

Carpenter Marty Transportation is a leading civil engineering and architecture firm specializing in infrastructure design. For more than 25 years, we have partnered with public and private clients to deliver innovative, high-quality solutions that make our clients' work easier and contribute to a better built environment. With offices in Columbus and Cincinnati, Ohio; Charleston, West Virginia; and Nashville, Tennessee, our success is driven by experienced leadership, employee ownership, and a client-focused culture grounded in excellence, responsiveness, collaboration, and continuous improvement.

Day in the Life:

Join our team and make a tangible impact in our region! Our interns/co-ops aren't getting coffee and running errands, you'll be working on actual projects from Day 1. You'll receive hands-on training, mentorship, and learn how your education in the classroom applies to the day-to-day job of a transportation engineer. You'll have an opportunity to test the waters of various disciplines to find out where you fit best. We fully immerse you into the daily tasks and routines of our engineering teams on design projects to prepare you for a full-time career after graduation.

Qualifications:

- Enrollment in an ABET-Accredited Civil Engineering degree
- Ability to thrive in a team environment
- Ability to comfortably jump between concurrent tasks

Salary: $22/hour

Benefits:

- Competitive pay
- Flexible schedule
- Regular team building activities
- Open, collaborative offices
- Hands-on experience
- One-on-one mentorship
- Software training and guidance
