

PLANNING INTERNSHIP/CO-OP

Develop your skills, advance your career, and grow with our firm. Our Columbus, Ohio office is seeking a Planning Intern/Co-op to join our team.

Who We Are:

Carpenter Marty Transportation is a leading civil engineering and architecture firm specializing in infrastructure design. For more than 25 years, we have partnered with public and private clients to deliver innovative, high-quality solutions that make our clients' work easier and contribute to a better built environment. With offices in Columbus and Cincinnati, Ohio; Charleston, West Virginia; and Nashville, Tennessee, our success is driven by experienced leadership, employee ownership, and a client-focused culture grounded in excellence, responsiveness, collaboration, and continuous improvement.

Day in the Life:

Join our team and help shape safe, accessible, and efficient transportation systems across our communities! As a crucial member of our team, you will support a variety of planning and engineering projects. Our portfolio includes active transportation planning, safety studies, school travel planning, trail and greenway studies, feasibility studies, access management and traffic calming, complete street designs, operational analysis, and private development studies.

Our interns/co-ops aren't getting coffee and running errands, you'll be working on actual projects from Day 1. You'll receive hands-on training, mentorship, and learn how your education in the classroom applies to the day-to-day job of a transportation planner. We fully immerse you in the daily tasks and routines of our planning team. From data collection and stakeholder engagement to final plan development and implementation support, we help prepare you for a full-time planning career after graduation.

Qualifications:

- Enrollment in a PAB-accredited city planning or related degree
- Ability to thrive in a team environment
- Ability to comfortably jump between concurrent tasks

Salary: \$22/hour
