

Bridge Engineer-In-Training

Develop your skills, advance your career, and grow with our firm. This position is open in our Columbus, Ohio office.

Who We Are:

Carpenter Marty Transportation is a leading civil engineering and architecture firm specializing in infrastructure design. For more than 25 years, we have partnered with public and private clients to deliver innovative, high-quality solutions that make our clients' work easier and contribute to a better built environment. With offices in Columbus and Cincinnati, Ohio; Charleston, West Virginia; and Nashville, Tennessee, our success is driven by experienced leadership, employee ownership, and a client-focused culture grounded in excellence, responsiveness, collaboration, and continuous improvement.

Day in the Life:

Join our team and make a tangible impact in our region! As a crucial member of our team, you will design various types of bridges, retaining walls, and complete hydraulic analysis and inspection reports. You will be working on projects from initial planning through construction allowing you to see your work come to fruition.

Our collaborative, open office environment allows you to work with colleagues across multiple disciplines to provide the highest quality plans, studies, and customer service. Our management style provides support for employees to thrive and develop their design passions into a fulfilling career. Your attitude, fit, and potential are valued just as much as your skill set. You'll receive one-on-one mentorship and hands-on guidance, as well as opportunities to attend trainings to network and keep informed on design criteria and policies.

Qualifications:

- ABET-Accredited Civil Engineering degree
- EI Certification or ability to obtain certificate
- Previous experience working on a team
- Proficiency with Microsoft Office's suite of programs
- Excellent written and verbal communication skills
- Ability to comfortably jump between concurrent tasks

Salary Range: \$75,000-\$85,000

Benefits:

- Competitive pay
- Bonus program
- Retirement plan
- Employee Stock Ownership Plan (ESOP)
- Flexible schedule
- Paid time off and holidays
- Health savings account
- Paid parental leave
- Medical, dental, vision, life, and disability insurance
- Paid professional development, organizational membership, and exams
- Regular team building activities
- Open, collaborative offices
- Work from home Fridays
- Section 125/Dependent Care Assistance
